\$3.2 Million Dollar Campaign

2 Mobile Transit Vehicles will be staffed with 4 Saskatoon Tribal Council (STC) Outreach / Mental Health staff. The staff will work directly with children within the core neighbourhood schools during the day. During the evening shifts, they will work in partnership with Emergency Services responding to calls that require further outreach assistance for family members of patients. The team will operate out of the STC Wellness Centre.

- \$3 million (5 year pilot program) operating budget that will be funded in partnership with the Government of Canada and the Province of Saskatchewan.
- The capital cost for fully equipped high rise vans is \$200,000.00
- All children in these schools will have direct access to these services.
- The Outreach team will work in partnership with Community Paramedics when further assistance is needed with patients.
