CRESTLINE®

PROUD SPONSOR OF SYNERGY 8 Drive for Kids Campaign 2021

Crestline is proud to have a long history of supporting the local, regional and national communities in which we operate. As one of Canada's leading Ambulance and Specialty Vehicle manufacturers, we are in a business that plays a key role in helping people during times when they are most vulnerable. Caring about the wellbeing of others is an intergral part of Crestline's heritage.

Making Saskatchewan Better

Our Mission

.....

Synergy 8 Community Builders is committed to collaborating with local community groups and organizations to provide leadership in community engagement and innovative strategies for building community development.

.....

Our 8 Foundational Beliefs

-  **1 Friendraising** We believe in Raising Funds & Finding Friends to realize bold new community visions.
-  **2 Youth Building** We believe that the future of our community is built through supporting the children and youth in our community.
-  **3 Community Leadership** We believe in and support programs and projects which support diversity of thought, cultures, visions, resources, and issues that exist in our Community.
-  **4 Community Engagement** We believe in Mobilizing the Ideas, Skills, and Passion of Community Organizations, Governments, Businesses, and People through community conversations.

Community Partnerships

We believe that Community Projects which incorporate partnerships and networks with local community groups are successful because they result in more local participation, co-operation, empowerment, and decision-making that is based on community input and shared values.

Community Philanthropy

We believe in facilitating collaborative philanthropy by making powerful connections between donors and community organizations for the long-term benefit of Saskatoon and surrounding area.

Community Building

We Believe in applying resources, expertise and leadership, in partnership with others to identify needs, address community issues, and build a stronger community for the benefit of Saskatoon citizens.

Community Of The Future

We believe in helping our community respond to the challenges of the 21st century through active participation and community leadership.
